Dear Friends:

By uniting, rather than dividing our nation, I believe that Americans can work together to meet the serious challenges facing our country. I support a new direction for America that strives for the common good, including affordable health care, access to higher education, good jobs, energy independence and retirement security.

I invite you to join me for the first of a number of neighborhood meetings I'll be hosting through the month of August to discuss issues facing Minnesota and our nation.

WHAT: Town Hall Meeting with Congresswoman Betty McCollum
"A New Direction for America"

WHEN: Wednesday, August 2nd from 7-8:00 p.m.

WHERE: Merriam Park Community Center
2000 St. Anthony Ave
St. Paul, MN 55104

Rep. McCollum meets with students from a University of St. Thomas Educational Policy Making Class at her office in Washington, DC.

Sincerely,

A handwritten signature in blue ink, appearing to read "Betty". The signature is fluid and cursive, with the first letter being a large, stylized "B".
