Dear Friends:

An internship in a Congressional office is a tremendous opportunity for young people to learn about the federal government and public policy issues while spending a semester dedicated to public service. I encourage college students to apply to intern for my St. Paul District Office for the Spring, Summer and Fall seasons. District office interns assist in community outreach planning, attend meetings throughout the district, and conduct directed research. For those interested in learning about internship opportunities for Fall 2006, please contact my St. Paul District Office at (651) 224-9191 or [read the full internship description on my website](#).

The No Child Left Behind Law is set to be reauthorized in 2007. What's working? What's not working? How can the federal government be a good partner in ensuring strong St. Paul Schools? Please join St. Paul Schools Superintendent Meria Carstarphen, St. Paul School Board Chair Elona Street-Stewart, St. Paul Federation of Teachers President Mary Cathryn Ricker and myself for a panel discussion on this important issue on **Monday, August 21st from 7-8:00 p.m.**

WHAT: Education Town Hall Meeting with Congresswoman Betty McCollum, St. Paul Schools Superintendent Meria Carstarphen, St. Paul School Board Chair Elona Street-Stewart and St. Paul Federation of Teachers President Mary Cathryn Ricker

WHEN: Monday, August 21st from 7-8:00p.m.

WHERE: Arlington High School
1495 Rice Street
St. Paul, MN 55117

On Monday, members of Minnesota's faith community and Congresswoman McCollum met at Macalester Plymouth United Church in St. Paul to discuss what Congress and individuals can do to address global warming. "Global warming is one of the greatest challenges facing our generation," said McCollum. "As people of faith, we have a responsibility to become informed about this challenge and push for change in our communities and our nation to create a sustainable future for our children."

Sincerely,

A handwritten signature in blue ink that reads "Betty".
